#### Course description

#### DISCOVERING A HIDDEN EMPIRE OF LANDMASSES AND ANIMALS

In this course, we will be exploring rocks, formations and fossils in Fossvogur area and Búrfell. The history of our planet is hidden in between rocks and fossils, and our knowledge about the past can be reached by looking for the many footprints, which the past has left behind. Everything from fossils to valuable minerals tell us about the land, that we are standing on, and give us an insight of what was once another empire of landmasses and animals, that once existed on these grounds.

Age: 12-16 years old (6-10th grade)

Time and Date: 11-15, 9 days from June 18-28

Fee: Kr. 21.500

Language: The course is taught in English. Students who only speak Danish, German, Icelandic, Turkish, Kurdish or Arabic are all welcomed.
